Do you or your children enjoy antique farm equipment? Would you like to join our club? Are you interested in a scholarship for college next year? Are you interested in future events?

The North Georgia Two-Cylinder Club is a club based in the metro Atlanta area that encourages the preservation of antique farm equipment. We participate in local parades, shows and festivals in Loganville, Winder, Commerce, Duluth, Bostwick and surrounding areas.

Check out our website for more information, our event calendar, photos of events, applications for membership and scholarship. If you would like to have the club to participate in your event, please fill out the Contact Us form on our website.
